

## Logging In for the First Time

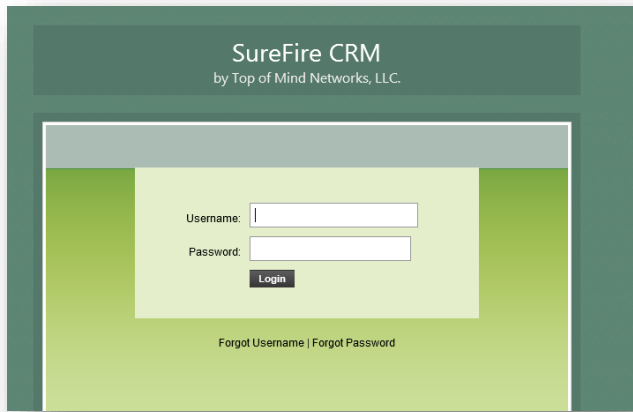

Look for an email from  
CustomerSupport@topofmind.com.

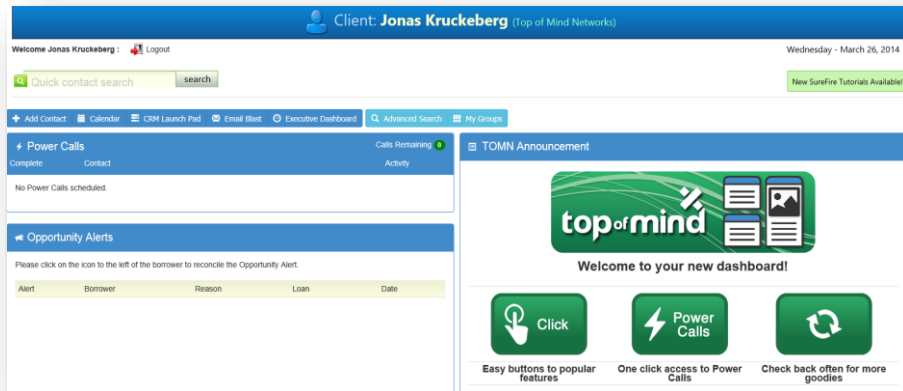

Scroll down to the Account Details  
box and note your username. Click  
**Please set your password here.**

On the landing page, type in the  
username that appeared in your  
email, then create a password  
meeting the listed requirements.  
Retype the password to confirm,  
then click **Reset Password.**

Save the new landing page in the favorites bar on your browser. Type in your username and your new password, then click **Login**.

You are in Surefire for your first time. And away we go!

It's that simple!
